

WHITEHAVEN RIPARIAN SANITARY AUTHORITY.
-----Shipping Inspected during the Year. 1740

Number inspected:
By M.O.H. By S.I.

--

80

Number reported
to be defective.

2

There is nothing of importance to comment upon. All arrangements are as set out in previous reports.

No cases of infectious diseases in connection with shipping were reported.

The two defects reported were discovered in November and the ships had not been re-inspected at the end of the year.

J. W. Dumbell

Medical Officer of Health.

Town Hall,
WHITEHAVEN.
12th February, 1941.
